

Dear Parents,

We would like to welcome you back to our Wednesday and Saturday children's classes. This year, we will be offering classes in 8 week sessions. There will be four sessions between September and the end of May. Our first Wednesday session will begin on September 9 and the first Saturday session will begin on September 12. Children will register for a spot in a specific class, it will be their spot for 8 consecutive weeks, and on the 8th week of each session there will be a student demonstration, which will provide an opportunity for the children to showcase what they have learned during the past 8 weeks.

We welcome children ages 3-12 in our Saturday morning classes, and 6-10 year olds on Wednesdays from 4p-5p. The session dates will coincide so the Wednesday students can join into the student demonstrations on the last Saturday of each session. The dates of our sessions are listed below.
