

Join the fun today!

Classes are ongoing, you can begin at any time! You can take a single class or register for a series. Please call 510-419-0700 for reservations. If you decide to purchase a discount class card, good for a series of classes, the 10 or 20 week period begins on the date of your first class. If you join into Children's classes once an 8 week session has begun, your class card will be prorated for the remaining weeks left in the session.

1. Single class • Reservations required.

2. 10/10 card • 10 classes in 10 weeks.

This card offers the biggest discount; intended for those who can commit to 10 consecutive weeks – same time and day each week. Students will be guaranteed a spot in the same class every week, no advance reservations required. No make-ups.

3. 10/20 card • 10 classes in a 20 week period.

This card is for those who want to come regularly, but need some flexibility. Cards can be used for any 10 classes of the same type within 20 weeks. Reservations required.

Reservation & Cancellation Policy: Reservations are required for all classes. There is a \$10/spot non-refundable reservation deposit that will be charged to a VISA or MC at the time the reservation is made. This \$10 will be applied to the cost of your class as long as you do not cancel or change your reservation. If you cancel or change your reservation greater than 48 hours in advance of the class reserved, you will forfeit the \$10/spot that has been charged to your credit card. If you change or cancel your reservation within 48 hours of the scheduled class, your credit card will be charged the remaining balance due for the cost of the class you had reserved.
