

Dear Parents,

We would like to welcome you back to our Wednesday and Saturday children's classes. This year, we will be offering classes in 8 week sessions, except for the last session, which will be 7 weeks. There will be four sessions between September and the end of May. Our first Wednesday session will begin on September 7 and the first Saturday session will begin on September 10. Children will register for a spot in a specific class, it will be their spot for the entire session, and on the last week of the session there will be a performance, which will provide an opportunity for the children to showcase what they have learned during the session!

We welcome children ages 3-12 in our Saturday morning classes, and 6-11 year olds on Wednesdays from 4p-5p. And, **NEW** this year, we have a Children's Flying Trapeze Class, for kids starting at age 5, on Wednesdays, from 5p-6p. The session dates of the Wednesday classes coincide with the Saturday dates so the Wednesday students can be part of the student showcases on the last Saturday of each session. The cost for the 8 week sessions is \$100, and the 7 week session is \$87.50. The Wednesday Flying Trapeze classes are \$200 for 8 weeks and \$175 for 7 weeks.
